

Bridgend Town Council Business Awards 2018-19

Bridgend Town Council has created an annual business awards scheme to acknowledge the positive contributions made towards community life from businesses operating within the three Bridgend Town Council wards of Morfa, Oldcastle and Newcastle. The award categories are:

1. Best Shop Front Award

Nominations are sought from members of the public for businesses that have the best window displays and take pride in the cleanliness of their shop front along with the provision of good lighting and signage.

2. Best Customer Service Award

Nominations are sought from members of the public who can provide testimonials for businesses that have provided excellent customer service during the year. This includes businesses that go 'above and beyond' to assist their customers.

3. Disability Awareness Award

Nominations are sought from members of the public to identify businesses that provide exceptional service to disabled people and their families. This can include businesses that provide excellent accessibility to their premises, the provision of closed hearing loops, clear signage and clear pricing as well as those that provide care and attention for individuals with less visible disabilities such as autism and dementia.

This award is in conjunction with the Bridgend Coalition of Disabled People and Heronsbridge School.

4. The Best New Business Award

Nominations are sought from members of the public to identify new businesses that have opened in the town within the past 15 months that contribute to the vibrancy of Bridgend Town and its communities.

5. The Business Community Award

Nominations are sought from members of the public to identify businesses that have gone 'above and beyond' the call of day-to-day business to engage with and improve the community life of Bridgend Town; including involvement with community events and charity work.

Nominations:

Nominations for the 2018-19 awards will open in May 2018 and the deadline for closing nominations will be the end of February 2019.

Please send nominations for each award to:
Bridgend Town Council Regeneration Advisory Committee
Carnegie House, Wyndham Street, Bridgend, CF31 1EF

A judging panel will be appointed by the BTC Regeneration Committee and awards will be presented to the winners at a presentation evening on the evening of the full Town Council meeting in April 2019.
