Bridgend Town Council is your local community council that covers the wards of Morfa, Oldcastle and Newcastle. It is a separate organisation to Bridgend County Borough Council (BCBC).

Whilst BCBC is the local authority that provides services such as education, environmental health, social services etc. for the whole county, Bridgend Town Council delivers a range of services, projects and events to meet local needs and improve the life of local residents.

Bridgend Town Council would like to take this opportunity to find out how residents feel about the services and facilities it provides. Your opinions are extremely important and will help inform Council decisions and ensure that Town Council resources are allocated to the things that matter to you the most.

1 The list below includes a selection of services provided by Bridgend Town Council. Please tick the box that best matches your opinion:
