### Invitation to Langenau

Dear Mayor Cllr Wood,

unfortunately the Mayor and the members of the town-twinning committee of Bridgend had to cancel the last planned visit to Langenau because of the pandemic situation in 2020.

Therefore we want to make a second effort and invite you to Langenau. We all had to suffer under a lack of meeting people in person and had no possibility in celebrating together far too long. For this reason we invite you and our three other twinning-towns to celebrate our traditional children's festival together in 2023. On Friday, 21<sup>st</sup> of July, I would like to welcome you officially at our reception and would be glad if you take part in the parade with your delegation to represent your town the following day. Afterwards we can celebrate on our fairground two days long.

We would be glad if you and the members of the partnership committee can participate. Please let us know if you are coming and with how many persons by the end of January 2023. If you and the members wish to have a private accomodation we will assist you.

We hope you will accept our invitation and we can welcome you personally in 2023.

Kind regards

Daniel Salemi, Mayor of Langenau
