Dear Mr Mayor, dear Friend,

First of all, we would like to thank you for the videoconference meeting that took place on Wednesday 17 March 2021. We sincerely hope that the health conditions of the next few months will allow us to implement the beautiful projects we discussed.

Moreover, the website of the Twinning Committee of Villenave d'Ornon, which we presented to you during the videoconference, has been put online. You can find it thanks to the following link: <https://www.jumelages-villenedornon.fr/>
As you can see, it still needs some adjustments which will be made in the next weeks. As discussed during the meeting, we would be delighted to receive photos of Bridgend from you.

We look forward to hearing from you,
Yours faithfully,

**The Chairman of
Comité Jumelage**

Joël RAYNAUD

**The Mayor
Councillor of Bordeaux-Métropole**

Patrick PUJOL
