

Email from Ms V Pole re: War Memorial

8th December 2022:

Dear Clerk and Councillors,

A friend, Mrs. E. Lloyd, wishes to draw your attention to the poor state of the lettering there on her late husband's 20 year old brother, Glyn Lloyd, killed in WW2 is one of the fallen whose name is there.

Her address is [REDACTED].

On her behalf I wrote to Cllr Huw David, BCBC as we thought the Borough Council was responsible. He represents Cefn Cribwr. He has responded to say that the town council is the responsible.

Yours sincerely,

Violet Pole.
