

Good afternoon Leanne,

I hope this email finds you well,

I have been provided your email address by my father, Steven Easterbrook in order to outline my application and to register my interest in becoming a co-opted Youth Member of Bridgend Town Council.

I have had many conversations recently and over the course of my father becoming an elected councillor of Bridgend Town Council about how important it is that we as individuals use our passion and love for town to better our community.

### **Why?**

As a 22 year old, I have arrived at a point in my life where I see it is paramount to use my opinions, views and judgements on subjects that matter to me, my hometown of Bridgend being one of them.

I am extremely encouraged and grateful of Bridgend Town Council's recognition to fulfill the demand of implementing a younger view point into the current structure.

Thank you for the opportunity.

Kind regards,

Hopkin Easterbrook
