Hi Leanne,

Just to reassure you on this one that the matter is already in hand.

A meeting was arranged some time ago for Monday, when officers are due to meet with the owner, this is to confirm that the cleaning and further remediation is still going ahead. Also, to reassure you that a significant value has not been paid out on this project until all elements are satisfactorily completed.

The agents have confirmed that there is a maintenance contact in place for the clock going forward.

Best Wishes

Delyth

Dear Mark,
Cllr Unwin has asked me to convey his sincere thanks for your speedy intervention on the issue of the town clock restoration on the Zia Nina building.
He was pleased to report at the latest BTC Planning Committee meeting that the clock was working (both sides) when he saw it last Saturday.
Unfortunately, still outstanding, is the cleaning of the clock face (both sides) which are particularly dirty and the repainting of the back stanchion.
Cllr Unwin would be very grateful of your further attention if possible.
Kind regards
Leanne
