Dear Leanne

Following a meeting with Councillor Unwin yesterday regarding Old Bridge, Jason Jenkins will provide a separate update on points b,d,e and f listed in the attached letter and what was agreed on site.

In terms of an update on point a) of your letter, as the Town Council is aware, an application for listed building consent P/22/705/LIS has been submitted for Listed Building Consent for change of use to events venue; internal alterations; external elevation alterations, regarding which the Town Council Planning Committee have provided comments. My Senior Conservation and Design Officer is currently considering the need for a condition on the consent for the repair of the plaque to ensure its protection.

I trust this information is useful.

EDWARD VIII

**Email sent on behalf of Cllr D Unwin, Chair of BTC Planning Committee:**

Dear Claire,

We refer to your letter of 5<sup>th</sup> September 2022 in which you addressed various issues relating to Bridgend Town Conservation Areas.

The BTC Planning Committee has this month reviewed progress on specific matters raised at that time and note with concern that five of the issues raised a, b, d, e and f have shown no progress.

We would therefore be grateful for an update on progress in the past six months, as BTC Planning Committee continues to monitor these issues and looks forward to positive progress.

The Committee continues to feel that the closest cooperation on these issues – and that of the 10 year Masterplan for our town – are not showing signs of regular engagement and if it is helpful to attend our next meeting of the Planning Committee at 11.30pm on Monday 13<sup>th</sup> March, I am sure Members would find this beneficial.

Most Members are new since the past May elections, so formal update would be of great value for them.

Kind regards  
Leanne
