Hello Leanne

I am unable to find any condition relating to the clocks and unfortunately would not know who is responsible for their upkeep.

I can only suggest you make direct contact with the Job Centre organisation itself.

Sorry I can not be of more assistance.

Kind regards

Jonathan

Dear Jonathan,

I have been asked to contact you by Cllr David Unwin. He is seeking some information that may have been a condition when permission was first granted to build the current Job Centre in Market Street.

Featured on the roof of the building are two public clocks - presumably for the benefit to Town Centre pedestrians.

He would like to know, who is responsible for keeping them in good working order? Neither have shown the correct times for a lengthy period.

Cllr Unwin would be grateful for any information you can provide together with a contact for any follow-up correspondence with the Job Centre.

Kind regards

Leanne
