Leanne,

Thank you for your email. The request was not repeated by any of the DC Committee members and therefore there was no debate around providing another wheelwash for Walters Road. In any case, it would not be necessary as the groundworks will be accessed via the Park Street route and there is already a wheel wash proposed for that side.

The decision has been issued on the basis of the submitted CMS.

Regards,

Rhodri Davies BA, BTP, MRTPI
